

# DESIGNERS' CHOICE AWARDS

© PAUL WARCHOL

Our annual survey of area designers and architects reveals their industry favorites

Welcome to *Home & Design's* 2011 Designers' Choice Awards, which celebrate excellence in architecture and design within our region. Each year, we poll hundreds of DC-area industry professionals to glean their picks for the leaders in this innovative, ever-evolving community—as well as their votes of confidence in those just making their mark.

The following pages showcase the survey results.
